SWEET

The show is worth seeing if you are in the mood for a light comedy.

SWEET

It is hilarious, disturbing, superbly written and immediately engaging.

SWEET

Riotous comedy sequences, nice wordplay, and fine acting make I'm Not Just a Comic Genius entertaining and enlightening.

SWEET

Through it all, Schorr carries the show with natural grace and an endearing style, under the apt direction of Rick Shaw.

SWEET

And so it goes, this umpteenth effort by Sherman Oaks' answer to Neil Simon, Art Shulman. Shulman may not be a great writer, but he is a crowd pleaser, and that's what ...COMIC GENIUS is sure to be. Direction by Secret Rose owner Rick Shaw, is sure-footed and other tech credits (including set by the ubiquitous Chris Winfield) are serviceable. Your heart will warm to the somewhat touching conclusion of the piece and that's OK!

About the Author: We don't "review" shows here at the Lemon, rather we "review" reviews by gathering them from a variety of local review sites around the internet, judging them to be positive or negative, then forming an aggregate score that we call a LEMONMETER RATING, showing how well that show has been reviewed in total.
